

SUPERIOR COURT OF SIMULATED SLEEP COUNTY
BEDROOM DISTRICT - CIVIL DIVISION

TIRED SIBLING, Plaintiff, v. THE WALL KICKER, Defendant.	Case No. WKD-2026-0347 SIMULATED DECLARATION OF RECORDS CUSTODIAN Assigned for simulation to: Hon. Marsha Quiet, J.S.C.
--	---

SIMULATED DOCUMENT. This PDF is generated for the Wall Kick Defender Court Simulator. It is fictional, not legal advice, not a real pleading, and not intended for filing in any court.

I, Tired Sibling, declare for Court Simulator purposes as follows:

1. I am the person who installed the Wall Kick Defender sensor on my side of the shared wall.
2. The device was active during the sleep-hours arming window on April 1, 2026.
3. The device recorded Packet WKD-01247 at 03:47:12 AM, including a vibration fingerprint, short speaker-side receipt clip, and confidence score.
4. The export was made from the dashboard without editing the timestamp, impact score, or clip duration.
5. The defendant did not have to provide any data, install any hardware, or consent to a bedroom podcast, because the system lives on Plaintiff side of the wall.
6. In the simulator, these records are offered to show why the kicker can be sued in court when the evidence is preserved and authenticated.

I declare under simulated penalty of perjury that the foregoing is accurate for fictional game purposes and that I remain very tired.

Dated: April 1, 2026

Respectfully submitted,
